Leon Dozier II Scholarship Fund

Leon Dozier II was a young man who demonstrated in his short life span an ability to be involved in both church and community. In his memory, People's Community Church wishes to honor its high school graduates by awarding a scholarship of **\$150.00** to each current year high school graduate going on to higher education within the next school year. A check will be issued to the institution bookstore in the student's name, thereby; the student may draw upon the account to purchase bookstore materials.

***Students must complete this application.**

In addition, People's Community Church encourages students, who aspire to a post-high school education, to apply for a need-based scholarship. These funds will be available to those just entering an institution of higher education and to those currently enrolled in an institution. The amount to be awarded will be contingent upon the available funds, academic standing, and need. Funds will be forwarded to the appropriate institution in the student's name.

ELIGIBILITY REQUIREMENTS FOR THE NEEDS-BASED FUND:

- A completed application submitted by the deadline date.
- Grade point average of 2.5 or better. (Please provide a copy of your most recent grade transcript.)
